an additional \$10.00 charge for each family unit photographed.

Everything

you need to know about your family portraits

Portrait Tips

1. Please agree or compromise about clothing and hairstyle. It is not recommended to come in with a fresh haircut as it won't appear natural.
2. Clothing: proper choice of clothing can enhance your portraits. If there are any questions about clothing, call or stop by the studio.
3. Wear clothes you feel comfortable in and like to wear.
4. Glass glare-this can be a distracting problem. If possible, borrow a pair of empty frames from your doctors. This eliminates reflection and distractions caused by your lenses, and will also reduce your retouching costs. We do charge extra for removing glass glare.
5. Come into the studio and check our pose walls. If there are certain poses or props desired let us know. The more we know the more personalized your portraits will be.

Terms

- \$100.00 deposit will be collected for the proof booklet to leave the studio. An additional \$20.00 will be paid if the proof booklet is needed on the same day as the sitting. Otherwise, proof booklets will be available on the next business day following the sitting.
- All originals are the property of Bell's Studio and must be returned within 10 days.
- 50% of the order total is due at the time of ordering.
- Balance is due when the order is completed.
- No order will be put into production without one half of the total order paid.
- No part of any order will be given out until the balance is paid in full.
- Proofs remain the property of Bell's Studio and will be kept on file so reprints may be ordered at any time.
- When the finished order is picked up, please check the order at that time. Portrait orders are considered complete once they leave the studio.

Portrait Package Specials

These special packages represent outstanding portrait values, but are good only if your order is placed within 14 days after your proofs are checked out (see your appointment time on the front of this guide). All finishes are *Standard*. Add a pose to any packages for just \$15.00.

8-11	\$8.00 each	12+ Only	\$7.00 each
8 up folio	\$76.00	12 up folio	\$115.00

The Bell's Studio Guarantee

Because we believe in your satisfaction and strive to produce the best portraits and services in Southeast Nebraska, we stand behind our work with our rock solid guarantee...

If, for any reason, you are not satisfied with your proofs, simply return them to the studio within 48 hours and we will shoot additional poses at no charge to you or refund your session fee.

If, for any reason, you are not satisfied with your finished portraits, simply return them to the studio within 7 (seven) days and we will remake them at no additional charge to you or refund the cost of your portraits.

If there is a problem, don't hesitate to call us right away so that we can correct the problem for you. You deserve to have portraits that you'll be proud to display for a lifetime and we want you to be satisfied.

Reasons to have additional poses done:

1. Bad Expression. You've had a really bad day or the fake smile comes through once too often. If there are more bad expressions than good ones, let's try again.
2. Bad hair. Too curly, too straight or just not right. It is better to have additional poses taken rather than to try to correct a bad hair problem digitally.
3. Bad weather. We can't control what comes from the sky and if it was too windy or rainy then it is best to have additional poses done on a day when the skies cooperate.

You don't need additional poses taken if:

1. Acne or other blemishes show excessively. Our expert retouchers can eliminate any unwanted blemishes from your final portraits.
2. There is a wrinkle or fold in clothing. This is quite natural for clothing, but if it is objectionable, it can be corrected on the final print.
3. The proofs seem too light, too dark or off color. Your proof sheets are strictly raw files and have not been corrected for color or density (lightness and darkness). Your finished portraits will be printed for the exact color and density you expect. We use only professional products that are manufactured for professional studio equipment and lighting standards.

Remember to let us know right away about any concerns that you might have so we can correct them right away. We want you to be happy with your portraits.
